SUBJECT:

18 May Meeting on Machine-Assisted Translation of

[Redacted]

As you know, a meeting has been scheduled for 1000 hours, Friday, 20 May in the sixth floor conference room, Community Headquarters Building, to discuss the Community's response to the DCI guidance request for coordinated reports by the CIAP, GDIP, and CCP on the feasibility of applying Machine-Assisted Translation to overtly acquired Japanese S&T documents. Since we expect at least 20 people at that meeting, I believe it will be useful at our 18 May meeting (0930 hours, 4th floor conference room) to agree among ourselves exactly what we wish to accomplish on the 20th. [Redacted] and [Redacted] are far more familiar with this problem than am I, and I shall rely heavily on their guidance. I look forward to seeing you all on the 18th. [Redacted] will be able to tell us at that time exactly who will be attending the meeting on the 20th.
